stable goods 100K

*Aug 18
Solartron
Collector
Command*

PROGRESS REPORT

■ Customer Activity / Marketing

■ Paul Wolf / TrailerLightCheck – still reviewing opportunity

Menden

■ Skyscopes has possible interest in facility. Would like to tour facility when in area to do tourism video shoot for the Turtle Mountain area

Feb

PROGRESS REPORT

- *MFG Line*
 - *Setup Complete (except H2O filter)*
 - *Continued progress on SMT line*
 - *Completed chip resistor and cap placement*
 - *Possible repair required for IC placement*

PROGRESS REPORT

- Business plan – fine tuning revenue projections – Packet Digital feedback most critical
- Website is updated / marketing grant – completed city banner – need to submit to ND Dept of Commerce
- Still working on scheduling tour of Northrop facility in Newtown.
- Met with Otter Tail Elec company – should see significant drop in monthly billing – monitoring daily.
